Permission Form for COGS to post photos containing children on their website

There are many events at the Church of the Good Shepherd which include children and we would like to post photos that include children on the website. Normally, only photos of groups that include children, not a photo of an individual child, will be posted and there will be no identifying names. The COGS policy complies with the *Children's On-line Privacy Protection Act of 2000* (http://www.ftc.gov/opa/2000/04/coppa1.shtm).
To post such photos, COGS needs prior permission from a parent or guardian. The Federal law applies to children younger than 13, but the COGS policy requires permission for children under age 18.

___ **Yes**, I do give permission for photos that include my child(ren) to be posted on COGS website.

___ **No**, I do **not** give permission for photos that include my child(ren) to be posted on the website.

I understand that, at any time, I can rescind my permission by sending a written request to the Secretary of the Church of the Good Shepherd.
