

COUNT MYSELF BLESSED

Mercy Martinez Nunnally

HOW HAS CHURCH OF THE GOOD SHEPHERD CHANGED MY LIFE?

- I have met many life-long friends through the church.
- I am committed to this church and have been a member for 25 years.
- I raised my 27 year old son in this church. He was involved in the Logo Program (youth program) and I was a teacher for the five and six year olds. Over the years I've watched these children grow up. What a joy!
- I sang in the choir for several years and that was very gratifying.

HELPING CHANGE THE LIFE OF CHURCH OF THE GOOD SHEPHERD MEMBER AND FRIEND HAS ENRICHED MY LIFE

- By being a good listener. Sometimes this is all that a person needs; just knowing that someone cares means so much to them.
- By being a support when a person is down.
- By encouraging members to participate in an activity of the church. For example participating in the book club, helping with Thanksgiving Dinner, setting up for an Easter Brunch, and there are so many more. All these are great ways for a person to meet others in the church.
- By making a visitor or member feel welcome in the church.
